

MAJOLICA ROWDYS THE TEMPEST

MAJOLICA ROWDYS THE TEMPEST's paternal grandsire was Love Me Tender who was a Pepper grandson by Chianti. Also, traces to Bond Show Boy and the immortal Rowdy. In his dam line, he boasts of lineage that includes Dell Teras Moon Man via Dell Teras Red Baron and Evans breeding.

Although not tested, the "ink spots/cat paws" would indicate he is homozygous for Tobiano. Also, he has one blue eye.

He has a limited amount of driving experience from a non-professional source.

We're expecting his first foals this summer – 2009.
